

PRE OWNED - VOLUMEC DRILLTRONIC DTS161250 DRILLING & TAPPING MACHINE

FEATURES

- o Articulated arm drilling, tapping and countersinking
- VAPS assisted positioning
- o High performance brushless motor
- o Infinitely variable drilling speed
- o VAPS-Z automatic drilling feed
- o Quick change tooling system
- o Workbench with T-slots 1800x1000
- Lubrication system
- Year of Manufacture 2021

MODEL		DTS161250
Drilling Speed Range	RPM	30 - 1250
Drilling Capacity with Twist Drill	mm	3 - 16
Maximum Drilling Capacity with Cutter	mm	30
Tapping Capacity		M3 - M20
Column Height	mm	1060
Maximum Height under Drilling Head	mm	650
Maximum Distance from Column to Spindle Centre	mm	1300
