

PRE OWNED - VOLUME DRILLTRONIC DTS161250 DRILLING & TAPPING MACHINE

FEATURES

- Articulated arm drilling, tapping and countersinking
- VAPS assisted positioning
- High performance brushless motor
- Infinitely variable drilling speed
- VAPS-Z automatic drilling feed
- Quick change tooling system
- Workbench with T-slots 1800x1000
- Lubrication system
- Year of Manufacture - 2021

SPECIFICATION

MODEL		DTS161250
Drilling Speed Range	RPM	30 - 1250
Drilling Capacity with Twist Drill	mm	3 - 16
Maximum Drilling Capacity with Cutter	mm	30
Tapping Capacity		M3 - M20
Column Height	mm	1060
Maximum Height under Drilling Head	mm	650
Maximum Distance from Column to Spindle Centre	mm	1300
